

SOLAR 'COOLPV' WARRANTY

CoolPV Solar Warranty - Effective 1st May 2018

We the supplier warrant that the CoolPV solar collector is guaranteed to continue performing the function for which it was designed. No other function or purpose applies.

Sunbather offers this warranty to rectify, free of material charges any defects caused solely by faulty workmanship, manufacturing or materials only, as long as the product is subjected to normal use and service.

Subject to Sunbather's Terms and Conditions of Trade, and exclusions mentioned below, the solar pool heating system has the following component warranties.

- Solar Thermal Collectors: Sunbather pass on the Solar Thermal Collectors manufacturer's '30 year limited warranty'. Refer to FAFCO Inc.
- Solar PV (Photovoltaic) Modules: Sunbather pass on the Solar PV Modules manufacturer's extended warranty. Refer to Canadian Solar Inc.
- Solar Pump: Sunbather pass on the pump manufacturer's warranty. Refer to your pump manufacturer.
- All Sunbather Controllers: 2 year replacement warranty. 1 year (12 months) on sensors.
- All PVC pipe & fittings, manifolds and all other related components and accessories: 1 Year (12 months).
- Installation: 1 Year (12 months).

Exclusions to this warranty:

- Damage or failure of equipment caused directly or indirectly by any work done on the system by a person not authorised by Sunbather, including improper installation, transportation or handling.
- Damage to metal roofs or gutters or drinking water storages caused by water leakage from the solar system, or for any other consequential damage caused by chemically treated water flowing through or from the solar system, or from rainwater ingress caused by blocked gutters or obstructed watercourses. It is the owner /purchasers responsibility to keep the roof & waterways clear of debris which may cause the restriction of the natural water flow.
- Incidental or consequential loss.
- The condition of existing equipment that may affect the correct operation of the solar pool heating system.
- Alterations, neglect, abuse, misuse or accident.
- Labour or travel costs incurred after the first 12 month warranty period.
- Damage or failure due to conditions beyond the reasonable control of Sunbather such as; bird, rodent or vermin life, acts of God or extreme weather conditions.
- Any travel, freight and/or associated costs with warranty claims.

General Conditions:

- This warranty period applies strictly from date of invoice.
- This warranty is not transferrable.
- It is a condition of this warranty that the solar system be inspected annually and any faults reported within 14 days from inspection date to Sunbather.
- Any required repairs or replacements will be done at one half of the then retail price. Labour, freight and travel costs are applicable and will be charged to the customer.
- All Sunbather solar systems must be installed and routinely maintained in strict accordance with the installation manual. Any variations of installation works to the manual will void warranty.
- It is highly recommended that an authorised Sunbather service-person inspect annually to ensure maximum operation efficiency.
- Improper or incorrectly performed maintenance or repairs will void all warranties.
- The warranty period is not extended beyond the original term in the event of repair or replacement.
